

Rugby

We are very lucky in Oylegate to be able to work with external partnerships to promote games like Rugby. Every Friday morning since January 3rd – 6th class have been enjoying tag rugby sessions with Ross. They have been practising the quick steps needed to tag the opposition by playing a number of different playground games. Tag has been a big hit in Oylegate and we are very grateful to the Rugby Organisation.

Below are some pictures of the children enjoying their Tag sessions.
